New Year Celebration - April 2019

“Leonard Cheshire conceived of the disabled as contributors to society, not exiles from it; as men and women not different because they were disabled, but human beings whose minds become stronger and broader because they were disabled”

EXTRACT FROM: 'NEW LIVES FOR OLD'

THE LEONARD CHESHIRE CHARTER

Our Mission is to assist people with disabilities throughout the world, regardless of their colour, race or creed, by providing the conditions necessary for their physical, mental and spiritual well-being.

We Believe that each person, whatever his or her disability, is a uniquely valuable individual and that, people with disabilities should have the personal freedom to pursue their aspirations and take their own place in the world.

Our Aim is to offer those with disabilities:

- Unquestioning recognition of their full human rights.
- Standards of excellence in all aspects of care from both staff and volunteers.
- The support of a forward-looking and responsive organization, aware of their needs and those of their carers.
- The opportunity to take an effective part at every level in running our services.
- Partnership in a continuing endeavour to help others, wherever the need be, in the field of disability.

THE SIR JAMES AND LADY PEIRIS CHESHIRE HOME - A HOME WITHOVER A HALF CENTRURY OF SERVICE TO THOSE DIFFERENTLY ABLED

Cheshire Home for the Differently Abled was formally opened by late Group Captain Lord Leonard Cheshire, the Founder of the Leonard Cheshire Disability on the 19th March 1966.

The premises were provided to the “Leonard Cheshire Disability” to manage a Home for persons who were Differently Abled.

Organizational Structure of the Home

Over the past fifty years the Home has functioned with a Board of Management with a Chairman at its apex. The present Chairperson is a descendant of the late Sir James and Lady Peiris, Mrs. Mala Salgado.

The Board of Management is comprised of nearly twenty persons who all serve in an honorary capacity, contributing in several ways with their individual abilities and talent. They meet monthly to take collective decisions in the best interests of the welfare of the residents and the betterment of the Home.

Three sub committees see to the day to day operations of the Home, namely the Home Committee, Administrative Committee and Finance Committee.

The Residents

The Home presently caters to the needs of 15 residents, of whom 09 are in wheel chairs. We hope to take a few more residents in 2020/21.

Residents and their families are not charged a fee for all the services provided including physiotherapy, medicines, pampers, food etc.

As a part of Skill Development and Training, the residents produce envelopes, greetings cards, rugs, bags etc. Parts of the money obtained by selling these items, is given to the residents.

Their recreation and leisure are seen to by the Board of Management as well as concerned visitors. Various activities like film shows, sing along etc are organized to entertain the residents by various groups, whilst the Board of Management organizes the Aluth Avurudu and Christmas celebrations.

Special Project - Family Support Services

This scheme was inaugurated on the 70th Birthday of the late Group Captain Lord Cheshire in 1987 and reached out to families with handicapped members, to enable them to care for disabled people at home.

Three families were selected and a basket of necessities is being presented to them monthly. We hope to expand our services in this direction.

Conclusion

Though the Home is a recipient of an annual grant from the Social Services Department of the Western Province, Samurdhi Bank and the Dehiwela-Mount Lavinia Municipal Council, the sum received is wholly inadequate. Hence the continuing donations received from generous donors are critically important to the running of the Home.

REVIEW- 2019

During the year under review, the number of residents remained the same. Of the residents, two are bedridden and require special care while seven use wheel chairs.

In addition to the residents, our Family Support scheme assisted three families who each have a disabled child. The trend abroad is for disabled children to be looked after at home. While recognizing that Institutional care is needed in Sri Lanka, we also decided to support a few families who opt to look after their children at home.

The 100th Birth Anniversary of our former Chairperson, late Captain D.P. Cooray was celebrated on the 23rd August. Mr Cooray served the Home as chairperson for around 40 years. He carried out many different projects for disabled persons within the Home and in the Community including rehabilitation and resettlement of residents.

This year, we received a very special donation which will help us to carry out much needed repairs to the Home. Our grateful thanks to the late Dr (Ms) S. Fonseka for remembering us in her Will. The donation received (via Leonard Cheshire UK) will be used to renovate the Home in 2020.

We take this opportunity to thank our staff. Their commitment enables us to look after our residents lovingly.

Our thanks are also due to all the donors for their support, whether it be a contribution to the meals calendar, or a donation in kind or some monetary assistance. It is these contributions we receive that enables us to provide all the necessary facilities and comforts to the residents.

FAMILY SUPPORT SCHEME

This scheme was inaugurated on the 70th Birthday of Group Captain Lord Cheshire in 1987 by Lord Cheshire.

Families with disabled persons are assisted so that they could live at home as long as possible.

A basket of goods including food, toiletry items and basic medicine are given monthly to these families. In addition, clothes and linen are given for Aluth Avuruda/ Xmas.

These families also receive help as the occasion demands. For example, the school going student received money for Maths tuition. He was getting very low marks for Maths. The extra help received enabled him to get through mathematics at the OL examination.

The older boy's family requested a small loan to start a small business selling thambilli by their home. The mother repays Rs 100 each month.

This programme catered to over 20 families in the early 1990s. However due to a lack of funds this project came to a halt and was re-launched in 2016 on International Disabilities Day. We now support three families. We will gradually expand the numbers.

STAFF

Staff is one of our greatest assets. Two of them, Chandrani and Anusha have worked for over 10 years at the Home and are well known to our regular donors.

In recent years, we have had to expand the number of paid staff to look after our ageing residents. We have also found it difficult to obtain/retain the services of a Matron and Male Attendant, partly due to the inability of paying a competitive salary.

| • Lunch | - | Rs. 4,000.00 |
| • Afternoon Tea | - | Rs. 2,000.00 |

****These rates are subject to change.**

Our donors have continued to generously support the Meals Calendar despite the difficult times. To those who have given dana on a particular day or days, year after year, and those who have provided tasty home cooked food, much enjoyed by the Residents, we say “May you be greatly blessed” and we hope you will encourage your friends to give danas as well.

Donations in Kind

We express our deepest thanks for all your donations in kind. Dry rations, medicines, drugs, pampers, clothes etc.

Donors like you, provide the support needed to continue our mission. Your caring support makes a great difference in the lives of the residents.

Financial Donations

With your financial contributions, you've demonstrated your deep commitment to our endeavours in serving the residents.

In earlier years we managed with a few staff members with the residents helping out in planning the menus, cooking etc. We have now had to increase the number of the staff as residents need more care. Consequently, our salary bill has increased and will continue to increase. Your donations help us to retain our staff, pay our utility bills, maintain our building etc.

Donations to Medical Fund

With the residents getting older, their medical needs have increased significantly. Visits to hospitals, payment to attendants while residents are in hospital, medicines, pampers are among some of these needs. Hence a medical fund has been created and contributions to this fund are welcome.

Visits to the Home

Many well-wishers visit the Home and spend time with the residents to reduce their social isolation and replace it with companionship. The residents look forward to these visits. The Board of Management wish to thank all these visitors for the time spent with our residents.
